Smoke Alarm Solutions Terms and Conditions

Version Update: 02.07.24

- (1) Multiple Owner Rate may be available when an owner has four or more properties enrolled in an eligible Subscription.
- (2) Service only available for properties located in South Australia.
- (3) Inspections are included to ensure smoke alarm compliance is met and all faulty or beeping smoke alarms are attended to when required.
- (4) Re-inspection Fee will be charged if a third party has rectified non-compliance and we are requested to re-attend and confirm smoke alarm compliance, or if we are asked to attend to install an Emerald Controller at a time other than initial upgrade. No re-inspection fee is charged when compliance is certified or Emerald Controller is installed, at the next inspection.
- (5) Current Packages and Chargeable Products aim to meet smoke alarm compliance as per **Legislative Requirements** for Victoria and South Australia, and when no new lease has been signed from 1st of January 2022 for a Queensland property.
- (6) Current Packages and Chargeable Products aim to meet smoke alarm compliance as per **Legislative Requirements** for Queensland.
- (7) Call-out fee will be charged if we attend to a property that is not a Class 1a or 2 (sole occupancy) Building; or properties not enrolled in our Gold, Platinum or Ultimate Subscription when attending under 24 Hour Emergency Service for sounding smoke alarms.
- (8) Add-ons are only available with Current Packages.
- (9) Any Queensland property that is found to have two or more bedroom smoke alarms will be serviced under the Ultimate Subscription. If property has one bedroom or a studio layout, the price will be \$99.00.
- (10) This service is designed for properties with smoke alarms located in bedrooms. Should a property be deemed non-compliant with Legislative Requirements, we will advise cost to rectify on Compliance Report.
- (11) Wall Controller Terms and Conditions can be found at www.smokealarmsolutions.com.au/wall-controller
- (12) Home Safe Solutions Terms and Conditions and service inclusions can be found at www.smokealarmsolutions.com.au/home-safe-solutions-ts-and-cs
- (13) Sellers Compliance Terms and Conditions can be found at www.smokealarmsolutions.com.au/sc-ts-and-cs and service inclusions can be found at www.sellerscompliance.smokealarmsolutions.com.au
- (14) Property must be enrolled in active \$119.00 Platinum Smoke Alarm Subscription to be eligible for Victoria Only pricing.
- (15) Cost valid for two light switches and two power points for a standalone single-phase dwelling where there is clear, safe access to the switchboard. Price will increase if additional requirements are found and quotation will be sent to landlord for approval prior to work being carried out. Property must be enrolled in either our Home Safe Solutions Subscription or Platinum Smoke Alarm Subscription to be eligible for the Switchboard Upgrade Service. Additional inspector visit fee of \$130 may apply in extenuating circumstances.

Legislative Requirements

- QLD** Refers to the legislative requirements stipulated by the Queensland Fire and Emergency Services Act 1990; Building Fire Safety Regulation 2008; and the Electrical Safety Act 2002 to be in place by 1st January 2022 for rental properties and properties being sold, and related electrical work (if applicable). Considerations around compliance of the smoke alarms at the Inspection Address are the types of smoke alarms and smoke alarm installations, build dates, including dates of significant renovations, and building classes.
- VIC** Refers to the legislative requirements stipulated by the Victoria Building Act 1993; Residential Tenancies Act 1997; Residential Tenancies Amendment Regulations 2021; and the Electricity Safety Act 1998 applicable to existent smoke alarms and smoke alarm installations and related electrical work (if applicable).
- SA** Refers to the legislative requirements stipulated by the South Australia Development Act 1993; Residential Tenancies Act 2010; and the Electricity Act 1996 applicable to existent smoke alarms and smoke alarm installations and related electrical work (if applicable).
